Help Benefit

The Kay Meyer Breast Care Center

SUPPORT THE CAUSE

Solely dedicated to breast care, The Kay Meyer Breast Care Center offers a comprehensive program focusing on breast cancer prevention, detection, treatment, and recovery. The staff, including board certified radiologists, are all highly specialized in the services they provide. State-of-the-art technology is available to patients, including digital (3D) mammography, computer-aided detection (CAD), and the newest addition made possible by the Meyers' donation—a molecular breast imaging (MBI) called the LumaGem MBI system. This system can detect cancer in dense breast tissue that would not be decipherable in a mammogram.

Silver Dollar Shooters Club
presents

16th ANNUAL

SHOOT for the CURE

Sunday

October 25, 2026

TAKE A SHOT AND MAKE A DIFFERENCE

We are proud to announce the 16th Annual ***"Shoot for the Cure"*** with all proceeds going to ***The Kay Meyer Breast Care Center.***

Advent Health Tampa Hospital unveiled a new name for its Breast Care Center during a program that included community members, physicians and former patients.

A generous $250,000 donation was presented by Tampa-based philanthropist and cancer survivor, Kay Meyer, to Advent Health Hospital Tampa. To honor this contribution, Advent Hospital Tampa has renamed its center The Kay Meyer Breast Care Center.
